

Eggcrate Grille - Quick Fixed Type with Neck Adaptor

General Information:

Ventech Eggcrate Grille is manufactured by lightweight and anti-corrosion aluminium. Eggcrate Grille has unique type of criss-cross aluminium forms an egg crate appearance. It is the most common used grille type for ceiling mounted return air and toilet exhaust functions. These grilles are also used in crowded indoor environment where there is a high need for regular fresh air replenishment such as retail outlets, hotels, and other commercial applications.

Features:

- Ceiling and wall mounted.
- Aluminium construction
- Powder coat finish
- All size available upon request
- Available loose and removable core
- Neck adaptor available to suit various sizes
